What is **Sustainable SRIA**?

A Shariah-compliant investment that enables investors to partner with Maybank in placing funds directed toward **a curated selection of sustainable assets** — with investment criteria tailored to align with their values and risk appetite.

To maintain credibility, all sustainable assets are classified and managed in accordance with the Maybank Group Sustainable Product Framework & Transition Finance Framework.

How does SRIA Work?

Project Selection & Contract Execution

Investor choose specific Sustainable Shariah-compliant project.

Fund channeling & Certificate Issuance

Bank directs capital to targeted project.

Profit Sharing

Profit share returned to investor.

Investing with Purposes, Creating Greater Impact via Sustainable Shariah Restricted Investment Account (SRIA)

Investing with Purposes, Creating Greater Impact via **Sustainable Shariah Restricted Investment Account (SRIA)**

Via **Sustainable SRIA**, Maybank Indonesia brings together **Shariah** and **Sustainability** to provide investment **solution** that delivers both—**competitive returns** and **meaningful impact**. It is an opportunity to **invest with purpose**, shaping the future of **Ethical Business**.
